

About Us

Heritage Insurance Services have 25 years specialist experience in Professional Indemnity Insurance and Commercial Insurance Broking.

Heritage operate from an East Midlands office to provide Professional Indemnity and Commercial Risk Insurance cover throughout the UK and also in Ireland.

We offer a wide range of products for business clients and pride ourselves in our customer service philosophy. Heritage staffs are specifically trained to look after each client directly, either by being available when you call or by way of a return call. We do not stack calls nor use overseas of large call centers, we make every effort to talk to you in person and assist you whenever you have any queries. If you are unhappy with any aspect of our service at anytime, then we would like to hear from you.

We provide a range of specialist insurance products including: Professional Indemnity Insurance for all professions, Medical Malpractice, Office Insurance, Combined Insurance, Employers and Public Liability, Directors and Officers and Charities Insurance Cover.

Our Senior Partner Simon Roguska has over 35 years experience and is FCII qualified while the other partner Lia has a legal broking background that is supported by a legal degree. Bridget has been with us for 5 years and deals with all customer service and your renewals on a year on year basis.

We nurture staff who care and seek to retain staff so that you know who you are dealing with.

All staff are registered with the CII with development being reviewed regularly.
